

## Introduction

Dear Sir

We introduce ourselves as business enterprise deals in **testing, measuring instruments and automation products**, represent following principals:

### 1) Testo, Germany

Testo AG, a world leader in design, development and manufacturing of electronic portable test & measuring instrument, testo offer wide product range as below:

- Portable measuring instrument & systems for : Temperature , Humidity , Pressure , Air velocity , RPM , Sound & light
- Transmitter for: Humidity & Temperature, Differential Pressure, Dew point (compress air), Compress air counter.
- Data Logger , Wireless Data Monitoring System – Saveris 1 , WiFi data logger – Saveris 2
- Portable Flue Gas Analyzer for combustion & Emission analyses
- Thermal Imagers

### 2) Uniphos Envirotronic Pvt. Ltd

Uniphos Envirotronic Pvt. Ltd. is one of the leading manufacturers, suppliers and exporters of gas detection & monitoring equipments, cod analyzer, gas detectors, breath alcohol analyzer, iodine value meter, and so forth.

- Digital Smart Gas Transmitter
- Ambient Air Quality Monitoring System
- Continuous Emission Monitoring Systems (CEMS)
- Uniphos Gas Detector Tube
- KwikDraw Tubes
- Uniphos Online COD Analyzer
- Uniphos Spectral Analyzer
- Headspace Gas Analyser

### 3) Novus Automation

Present in more than 60 countries, NOVUS connects the world with a complete line of products for the most diversified areas of industrial automation.

- **Process Control & Indication:-** Controllers, Indicators, Timers & Counters, Electronic Thermostats, Solid State Relays, PLCs & HMIs and Accessories PCI.

- **Data Acquisition & Communication:-** Data Acquisition & Supervision, Data Loggers, Wireless, I/O modules and Accessories DAC.

- **Sensing, Conditioning & Transmitters:-** Temperature Transmitters, Humidity & Temperature, Pressure Transmitters, IoT Sensors, Signal Conditioners & Isolators and Accessories SCT.

**4) We also doing special purpose Automation & control panels as per customer requirement and also providing thermography services**

Please forward your valued enquires and helps us to provide you our best services and products to your esteemed organization.

Thanks & waiting for your favourable response.

Best Regards

Amandeep Singh
